## Covid-19 – Essential Summary Information

We are so glad that you are visiting us today, it is our sincere wish that your time with us will be greatly blessed.

For everyone's safety, **please read and follow the guidelines below** which have been drawn up in line with Government advice.

- **Does anyone in your group have any symptoms of Covid -19?** If so, sadly we must ask you to leave on this occasion and to follow the Government's guidelines. Please return when you are fully recovered.
- **Give your contact details to the door steward.** We shall only keep these for 21 days and will use them only for NHS Track-and-Trace purposes.
- **Use the hand sanitiser provided** on entering and leaving the building and when using the toilets.
- **Keep with your group.** In particular, children/toddlers should be with their parents at all times.
- **Observe the one-way system** as marked on the floor. You will leave the building by a different door from the one by which you entered.
- **Follow the stewards' instructions.** They will guide you on where to sit, when and where to leave, and how you may access the toilets if needed.
- **Observe social distancing at all times.**
- **Only use the toilets if absolutely necessary.** Be guided by the stewards who will be ensuring that the ladies/disabled toilet and the gents toilet are never occupied by more than one person at a time.
- **If you do use the toilet,** please spray and wipe any objects/surfaces you have been in contact with after use (including door handles).
- **We wipe down seating and touched surfaces after each meeting.**

Thank you for patience and support. If you have any questions, please ask one of the stewards.

**MEETINGS ARE CURRENTLY BEING HELD AT 11:00AM AND 6:30PM EACH SUNDAY AND 7:30PM ON WEDNESDAY**
