- **Wear a face-covering.** It is a legal requirement to wear a face-covering all the time that you are in the Chapel building. Children under 11 and people with certain medical and other needs are exempt.
- **Contact Details.** Either scan the displayed NHS Test and Trace QR Code or give your contact details to the door steward (we shall only keep these for 21 days). You may choose not to do either of these.
- **Use the hand sanitiser provided** on entering and leaving the building and when using the toilets.
- **Take a hymn booklet** on entry and return it to the box near the exit door when leaving. Pre-recorded hymns will be broadcast over the p/a system. If you choose to sing, please limit your volume to the level of normal speech. Please stay seated.
- **Keep with your group.** In particular, younger children should be with their parents at all times.
- **Observe the one-way system** marked on the floor. You will leave the building by a different door from the one by which you entered.
- **Follow the stewards' instructions.** You will be guided on where to sit, when and where to leave, and how you may access the toilets if needed.
- **Observe social distancing at all times.**
- **Only use the toilets if absolutely necessary.** Be guided by the stewards who will be ensuring that each of the gents', ladies' and disabled toilets are never occupied by more than one person at a time.
